

Edson Fish and Game Association Winter Indoor Archery

This year due to the continuing Covid-19 pandemic the EFGA will be implementing some new safety protocols. They are as follows.

- All archers and guest are required to wear protective face masks while attending indoor archery.
- We require all who attend to sign in with both their name and phone number in the event an individual contracts Covid; we can provide the necessary contact tracing information to the appropriate parties.
- All archers and guests will be required to hand sanitize or put on gloves prior to entering the archery range. It is suggested to sanitize after retrieving arrows from targets as well.
- If archers or guests leave the range for any reason they must hand sanitize or put on gloves prior to re-entering the range
- If an archer or guest is presenting with cold or flu like symptoms they will not be allowed to attend archery and shoot. **(IF YOU ARE SICK YOU MUST STAY HOME)**
- Archers will be required to pull their own arrows unless the person they attend with does it for them. Example: family member, spouse, girlfriend, boyfriend, roommate.
- There will be a maximum of six persons on either shooting line at any time.
- Anyone not shooting or instructing will be 2 meters behind the shooting line.
- All archers and guests will be required to sign the Waiver/General Liability Release Form.
- The EFGA will sanitize targets, tables, chairs and the bathroom after each archery night.
- These protocols may change at any time to ensure appropriate compliance with Covid guidelines as set out by the Alberta Government. As the situation changes we want to continue to ensure the safety of all participants and officials.

Waiver/General Liability Release Form

Edson Fish and Game Association and The Heart of Edson Gallery and Studio

Date : _____ (day/month/year)
